The Consent Calendar groups together those items which are considered non-controversial or for which policy direction has been given to staff and that require only routine action by the Board. The Chair will advise the audience that the matters may be adopted in total by one motion; however, the Board may, at its option or upon request of a member of the public, consider any matter separately. The Board may make any necessary additions, deletions or corrections to the agenda and approve Consent Items with a single vote.
