CONSENT CALENDAR AND MONTHLY BILLS

The Consent Calendar groups together those items which are considered non-controversial or for which policy direction has been given to staff and that require only routine action by the Board. The Chair will advise the audience that the matters may be adopted in total by one motion; however, the Board may, at its option or upon request of a member of the public, consider any matter separately. A Board member may request an item be removed from Consent for discussion and separate Board action. At the appropriate time as called by the Board President, members of the public may make a comment on Consent Items prior to Board action.
